Dottie's House provides women survivors of domestic violence and their children a place to call home, to rebuild their lives financially and emotionally, and be safe.

Seventeen families reside in a one, two, or three bedroom fully-furnished apartment for independent living while receiving comprehensive services on-site for up to two years. The program gives families the tools necessary to develop the life skills needed to achieve self-sufficiency and end the cycle of violence.

Dottie's House relies on your kindness and generosity to keep our doors open. A chance for our families to start anew is truly life changing.

Last years classic was filled with enormous goodwill and raised \$80,000! With your support, we will surpass our goal this year to continue our mission.

We hope you will open your hearts and join us for what we are sure will be a day to remember.

All The Best,

Carol A. Wolfe
